

Delmarva Community Transit

Delmarva Community Transit (DCT) is the public transit system for Kent County and is operated under Delmarva Community Services, Inc. The DCT team is committed to assisting and increasing the transportation and mobility options of our county residents. Our staff is committed to providing quality transit services for the general public and specialized services for seniors and persons with disabilities who are unable to use the fixed-route public system.

Passengers with Disabilities

All vehicles providing services are wheelchair and mobility scooter accessible. We accept wheelchairs and mobility scooters that can be safely accommodated by our buses and our drivers are trained to help with special needs. In addition, door-to-door services are available to individuals with disabilities not served by or who cannot use existing fixed or deviated route bus services.

Deviated Fixed Routes

DCT manages 12 deviated fixed routes which operate on a time schedule. Route 4 includes transportation to and from Rock Hall, Fairlee, Chestertown, Kingstown, Church Hill, Centreville and Easton. Drivers may deviate off the route for any rider if the deviation is within 3/4 of a mile. Please call dispatch at 410-778-5187 for more information about deviations.
